212 SOUTH MAIN STREET.

The first woman to cross the channel from England to France as a passenger in an aeroplane made the trip Wednesday. She accompanied Gustave Hamel, the aviator, who left Hendon at 9:38, passed over Dover at an altitude of 2,000 feet at 10:50, and landed at Saint Inglevert, to the southeast of Cape Griznez, at noon without incident.

Mayor Newton D. Baker, of Cleveland, has bolted Harmon as Ohio's candidate and come out for Wilson. Mayor Baker has announced his intention of making a vigorous primary campaign, and of telling the people of Ohio just why he favors for the Presidential nomination the Jersey Governor rather than the Ohio Governor.

Saved By His Wife.

She's a wise woman who knows just what to do when her husband's life is in danger, but Mrs. R. J. Flint, Braintree, Vt., is of that kind. "She insisted on my using Dr. King's New Discovery," writes Mr. F. "for a dreadful cough, when I was so weak my friends all thought I had only a short time to live, and it completely cured me." A quick cure for coughs and colds, it's the most safe and reliable medicine for many throat and lung troubles—grip, bronchitis, croup, whooping cough, quinsy, tonsillitis, hemorrhages. A trial will convince you. 50 cts. and \$1.00. Guaranteed by all druggists.

Country Store Robbed.

Cadiz, Ky., April 4.—At Golden Pond, twelve miles west of here, the dry goods store of J. D. Gatlin was entered and about \$200 worth of clothing, watches, etc., were stolen. Entrance was gained by prying the front door open. The numerous tracks about the store led to the belief that there was more than one robber.

A Log On The Track

of the fast express means serious trouble ahead if not removed, so does loss of appetite. It means lack of vitality, loss of strength and nerve weakness. If appetite fails, take Electric Bitters quickly to overcome the cause by toning up the stomach and curing the indigestion. Michael H. Seimer of Lincoln, Neb., had been sick over three years, but six bottles of Electric Bitters put him right on his feet again. They gave pure blood, strong nerves, good digestion. Only 50 cents at all druggists.

In Massachusetts.

Gov. Eugene Foss withdrew his name from the presidential preference ballot in Massachusetts and asked that delegate candidates consider themselves unpledged. Clark and Wilson are the only candidates.

Saves Leg of Boy.

"It seemed that my 14-year old boy would have to lose his leg, on account of an ugly ulcer, caused by a bad bruise," wrote D. F. Howard, Aquone, N. C. "All remedies and doctors treatment failed till we tried Bucklen's Arnica Salve, and cured him with one box." Cures burns, boils, skin eruptions, piles. 25 cents at all druggists.

Scorned To Tell.

Jordan Edwards, kinsman of the Allens, at Hillsville, Va., scorned an offer of reward to tell of the whereabouts of Sidna Allen and Wesley Edwards. No news has been received from the Allens.

Fortunes In Faces.

There's often much truth in the saying "her face is her fortune," but it's never said where pimples, skin eruptions blotches, or other blemishes disfigure it. Impure blood is back of them all, and shows the need of Dr. King's New Life Pills. They promote health and beauty.

THE THRICE-A-WEEK EDITION OF THE NEW YORK WORLD

Practically a Daily at the Price of a Weekly.

No other Newspaper in the world gives so much at so low a price.

The great Presidential campaign will soon begin and you will want the news accurately and promptly. The World long since established a record for impartiality, and anybody can afford its Thrice-a-Week edition, which comes every other day in the week, except Sunday. It will be of particular value to you now. The Thrice-a-Week World also abounds in other strong features, serial stories, humor, markets, cartoons; in fact, everything that is to be found in a first-class daily.

THE THRICE-A-WEEK WORLD'S regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and the Hopkinsville Kentuckian together for one year for \$2.65. The regular subscription

A Strange Story

Argyle, Mich.—Mrs. Wm. H. Carson, in a letter from Argyle, says: "I was almost wild with pain in my head, and other severe pains, due to womanly troubles. Cardui gave me great relief at once. Further use of Cardui raised me from my bed of agony. Cardui saved my life, and I can't be thankful enough for what it did for me." Whether seriously sick, or simply ailing, take Cardui, the woman's tonic. As a general tonic for women, to improve the appetite and build up the constitution, Cardui is in a class by itself. Those who have used it say it does the work; it relieves, it cures. Try it. Your druggist has it.

AMUSEMENTS

At Holland's Opera House April 10.

Although now in its third successful season, only a few of the Southern cities have been visited by Beverly of Graustark, the delightful play founded upon George Barr McCutcheon's most popular novel. The high praise bestowed upon this attraction by newspapers of New Orleans and Washington is assurance to our theatregoers that a real treat is in store for them when Beverly visits this city on Wednesday, (tomorrow) April 10.

A Cash Offer.

The Kentuckian has made a special clubbing rate with The Memphis Weekly Commercial Appeal by which we will furnish both papers for one year for the very low subscription price of \$2.25. The Commercial Appeal is one of the largest and best papers in the South, and we hope to receive many new subscriptions on this offer: \$2.25 cash for both papers.
